Royal Rangers Leader Manual: Inspire The Journey

Synopsis

The Royal Rangers Leader Manual is the primary resource for all Royal Rangers leaders, providing information on program structure and philosophy, event planning, weekly meetings, leadership development, and more. This manual is the backbone for leader training. It features invaluable helps and guidelines for local leaders and is the go-to resource for all Rangers Ministry Academy events. Designed for use in the classroom, on a hike, on the football field, or wherever your Royal Rangers adventures may take you and your boys. (Also available in Spanish.) For more about the Royal Rangers program, visit RoyalRangers.com.

Customer Reviews

Inspire the Journey should be read by anyone interested in mentoring boys. It comprehensively covers the current Royal Rangers vision, goals, structure and leadership system. It is full of resources and numerous links to online information. This digital copy is easy to access and search for information and it is very economical.

As a Royal Ranger leader, this is an essential read. Lots of information about the mechanics of the program, but more important is the practical ways to challenge boys and young men to become Christ-like men and servant leaders. User friendly presentation on Kindle, too.

Royal Rangers is an excellent program for growing boys into Christlike men, and this Leader Manual provides all the info on how to make it work.

The fact that you cannot order an affordable paperback makes it difficult to share these manuals. Not too many churches can actually afford to pay for everyone to have this manual, nonetheless the electronic devices to be able to view these books online. Moreover the fact that you cannot print makes it even worst. I bought it because I can, and needed the material to help my post. However, it is the only book I will buy from this ministry.

If you're working with guys, you should use this manual. Royal Rangers was a blessing to my life while I was young. Now that I'm older, I can teach guys, and show them how to be a man of God. Very useful!!

The ebook cost much less and things are easier to locate using the Kindle app. Makes it much easier to keep up with the latest version.

Great for on the go study and application. Especially if you forgot to bring your manual! I would highly recommend!
