Customer Reviews

Suffix is a great teaching book. The illustrations help children "visualize" how a suffix changes a words meaning. The sister boo, Prefix, is another must-have book for teachers as is this one.

I use this to teach suffixes. It is a great teaching tool, and the kids enjoy the illustrations. I also purchased "If I were a Prefix" as it was a similar product.

It did meet my expectations. The book is colorful, well organized , and easy to read. A great opener for my unit.

Love this book series for teaching affixes! Great examples and interesting to 5th graders.

My students loved this book. Really helped them learn and reinforce suffixes.
