**About the Book:** Now children ages 7 to 12 can enjoy the Bible's most important passages in a fun and engaging format. Youngsters will love its cartoon-like art, open layout, and kid-friendly language. Each two-page spread features... a verse set in an appealing "Bible" graphic a brief, accessible explanation and application of the passage open-ended questions adults can use to help kids talk about their faith. This easy-to-use tool will help parents, Sunday school teachers, and other Christian workers sow the seeds of Scripture deeply into children's hearts.

**Author:** Rebecca Lutzer has used her gifts of hospitality, mercy, and teaching to minister to many women. She is an RN and enjoyed working as a surgical nurse for several years. She and her husband, Erwin, coauthored a book on the women in the life of Jesus and how He changed their

worlds titled Jesus, Lover of a Woman's Soul. My Review: The author has taken some of her favorite Bible verses and put them in book form in the hopes that your children can better understand and learn from them. The book includes 100 different verses on a variety of subjects that include but are not limited to God, Jesus, the Holy Spirit, the Bible, the Ten Commandments, and so on. It is a small book packed full of goodness. The author hopes that the children using this book will memorize the verses and passages and apply them to their daily lives. Each section includes: Bible verses, a short explanation or definition. Thoughts or questions to ponder on or discuss. Things God wants me to know--a more elaborate explanation. Ending Prayer to sum it all up.
