Customer Reviews

First read it online. Loved the story and the characters. I was happy as a clam when I saw it pop up on . However I was a little shocked when I saw it tagged as hentai. Yes it is very ecchi but there are worst ones. I don't know if it gets "worst" later but all I know now that it should be rated "m" at best.

The artwork and the story line are fantastic but is mostly ecchi (the main character doesn't have sex at all in the manga).Other than the no sex this manga is a great read with a fantastic story line.

this is volume 1 of 3 it is miss classified as hentai it is an ecchi manga and is currently on hiatus in japan

This is categorized wrong. It is not hentai. The characters private areas are faded out(white space and whatnot). This is actually echii manga. Think of it as rated R, not X, as hentai would be. Other than that, loved the story and the art was excellent. If you are not sure on this one you can still find its scandalations online.

I love the book, but it is not much hentai. It is exciting, and it hints to a second book, but it is not

created as i know.
