Synopsis

5 Minecraft stories and diaries in a book! Book 1: Minecraft Apocalypse: Mike, Lilly, Samantha, and Harvey are on a mission: They have to find life, other people who survived the Minecraft zombie apocalypse. Strengthened by their weapons, the four friends go on a journey through the vast, empty landscape, and find supplies in villages to help them cope with the hordes. They each have their favorite weapon, and some of them kind of like each other in a more romantic way. Reach about the great adventures of these young surviving heroes who withstand the zombies on the path to their destination. Book 2: Minecraft Boys: The fun story of the Minecraft boys, Steve and Steff, includes soccer games, mooshrooms, and chess matches. They do all these things together, but because their personalities differ, they both have a different view of what happened. One is happy, the other sad; the one having a blast, the other bored. It goes on and on like this, but they learn to deal with each other in the right way. Book 3: Minecraft Wither: Carson and Melvin are warriors for the king. The Great White Palace regularly has assignments for them. They complement each other, going on adventures in the mountains and in swamps, but when the king requests that a dangerous wither be slain, they kind of turn against each other and start competing for the reward and the diamond sword. Follow these heroes to the snow peaked mountain tops and the depths of the Nether. Book 4: Minecraft Dog: After being thrown into a dumpster and surviving a few obnoxious bullies, Coco the shiatzu discovers endermen in the city. He wants to know more about it and follows them to the forest. What he sees there, is more important than anything else. He goes back to warn his owner and helps save the city. Read about a heroic dog who stood up for himself, despite his height, and tried to help others, even the ones who didn't help him. Book 5: Minecraft Traps: In this Minecraft book, with booby-traps and adventures, Lawrence sets out on a journey to save the village. A contagious outbreak has been contained in a single hotel, but the doctors are desperate. They realize the ingredients to the cure are scattered across the land. They all rely on Lawrence's courage and cleverness to get past the traps that guard the precious elements they need. Find out if he is valiant and brave enough to do so.

There's no denying it at this point. Minecraft is a huge cultural phenomenon. It's popular because it's easily accessible, and fun for all ages. This little book is too, and it comes with the added bonus of being cleverly written, and containing helpful advice for children who might not know the basics of the game as well as they'd like to. If you're looking for a nice, short read with some great references, you should really pick up this book!
