Customer Reviews

I bought this as a gift. I hope the recipient wasn't as disappointed with this product as I was. The pages are made of paper that looks to be newsprint. The words are printed HUGE, but it looks juvenile. It's not as thorough of a Bible dictionary and concordance as I expected. The cheap quality of the pages' paper was embarrassing to me. I hope my friend liked this gift okay. She never said "Thank you," so I fear she thought I bought her some junk for a gift.

The book was in perfect condition, was even more helpful than I imagined (given as a gift to an elderly friend with poor eyesight) - the print was HUGE. The only point of note is that the book is VERY large & heavy.

i bought this item for a friend she love the book for she needed one i am glad also happy that she love the book she uses it every time she is in the word of GOD she told me

This is definitely super giant print, but it wasn't what thought I was buying. It says concordance and I was expecting something like the Strong's concordance. It has very few words and isn't of much

use to someone who needs a real concordance.

This item was in very good condition. I am happy that I made the purchase. I am very happy with the choice...this was my favourite order ever

Too much dictionary & not enough concordance. Too confusing for the elderly person, for whom it was a gift,to use.
