Customer Reviews

A young boy named Mike experiences the ridicule from his brother and sister about how he is too young and too small to make it around the Perimeter Path. Murphy teaches the mathematical concepts of perimeter through visual concepts. This books follows GLEC's and is appropriate for 2nd grade and higher. This book is part of the MathStart series used to teach mathematical concepts.

Super cute book. High interest, great pics, vocabulary development and not too long. Third grade lexile range.

Great read for my third grade students!
