Laws From Heaven For Life On Earth: Illustrations Of The Book Of Proverbs

Synopsis

Although not a commentary in the traditional sense, Laws from Heaven for Life on Earth is tremendously useful for preachers, being full of interesting illustrations calculated to bring to life the proverbs covered. The style adopted by William Arnot (1808-1875) is straightforward and practical making this work equally useful in private Bible study. Charles Haddon Spurgeon says that "for a happy blending of illustrative faculty, practical sound sense, and spirituality, Dr Arnot was almost unrivalled." First published in 2 volumes (1856 and 1857), this edition has been completely re-typeset for issue as a single volume in eBook format.
