If you love basketball, you will love "Slam Dunk"! With volume 17 of the popular basketball manga series, this latest volume is broken up into two arcs. The continuing matchup between Kainan High School vs. Ryonan High School and the second arc featuring Shohoku High School vs. Ryonan High School. From volume 16, we learned how Sakuragi had undergone intense training to become a better shooter, but will he be prepared in the next matchup? Or will his cockiness get the best of him? For the most part, if you are into basketball, "Slam Dunk" volume 17 will definitely interest you as Takehiko Inoue manages to capture the excitement of the game, especially between the superstars of Kainan vs. Ryonan high and their matchup. With Shohoku having to take on Ryonan, it's the first half and will be continued in volume 18. With that being said, reading this volume will go quickly because the illustration do take up a big part of the pages versus dialogue but if you appreciate basketball and Takehiko Inoue's work, you know that this style works and the efficacy of

competition of competitive high school basketball is captured amazingly well. We do get a few pages of learning about Sakuragi and his father and how it relates to his coach collapsing while he is practicing. So, it's one of the few flashbacks of Sakuragi's troubled life that we get to see in this latest volume. As for the manga series, Takehiko Inoue's illustrations have always been a highlight for me and I was always amazed of how he captured movements, the offensive and defensive stances to how the players penetrate the perimeter and score. He also doesn't step back when it comes to capturing the players during competition. He fully includes detail of profuse sweating and the fatigue a player goes through from start to finish. Overall, "Slam Dunk" is an enjoyable manga series and if you are a basketball fan, "Slam Dunk" is definitely recommended!
