Customer Reviews

This the last one in this part of the series and it will not disappoint you! The main scholl puts every thing into this final match and I let you read to find out the ending!!!

I watched the anime series and love it . What to see if the manga books just as good, but I am happy that I got then they are fun to read.

I love this book. It brings everything full circle and reminds many people why you start playing sports to begin with.
