## Customer Reviews

This was a good way to introduce and familiarize my daughter to the Iowa test format. It helps take a little bit of the mystery out of standardize test taking while providing a good overview of the material a student is required to know.

Very old book. Useless for students today. It also has no answer key. It was a complete waste of money. Buy something else to help your child study.

As an elementary school teacher, I am very pleased with the Test Best Series, to help prepare students for the Iowa Test of Basic Skills.
