My First Time Was With My Boyfriend's Little Brother Vol.1 (TL Manga)

Synopsis

Tsugumi is a girl who went through a tough breakup with the first boyfriend she ever had as a student. Several years later she finds herself being loved unconditionally by her senior coworker Shinobu. Day in and day out Shinobu fawns over her and drives her mad with his incessant loving. She feels at times like her body can take no more and is happy in her relationship with Shinobu until the day they decide to go back and visit his family home. What a shock when the person to come out and greet them is someone she never thought sheâ™d ever see again, Rio. He was her very first boyfriend and the one she gave her innocence up to and is apparentlyâ™s little brother!? Rio, the one who thanked her for letting him take her virginity, appears in her dreams again and again. Although they broke up long ago, he continues to play around with her and make her body ache for him. Vol.1, 54 pages.

Customer Reviews

It's cute and saucy trash, what more can I say? :) If you're looking for something that's more plot??? what plot?? (pwp), this is it. It's an easy read and is really just more about being hit on by cute guys than it is anything else. A fun time-passer.

I can believe she sleep with both brother. What is she going to do now? She love the older brother but she dream and having sex with younger brother. Cash wait for the next one
