Ouran High School Host Club Box Set (Vol. 1-18)

Synopsis

The complete best-selling series, now in a value-priced box set Reads R to L (Japanese style) for teen audiences. In this screwball romantic comedy, Haruhi, a poor girl at a rich kids' school, is forced to repay an \$80,000 debt by working for the school's swankiest, all-male club as a boy! There she discovers just how wealthy the six members are and how different the rich are from everybody else |

Customer Reviews

About the story...The story line is simple to follow and the characters get deeper as the story continues. The characters are diverse and the author has a great sense of humor (both in the stories as well as author notes sprinkled through out the series). I'm not giving the story line justice, but if you don't know the story line look it up on wikipedia [...].About the Box Set and the books...When the package arrived, it was securely packed away with little to no movement for the box set to be damaged while being shipped. I received all 18 volumes and the exclusive memo pad. The box it comes in is nice for storage as well as being visually appealing. The size of the box set is smaller than PC unit but slightly bigger than a woman's tennis shoe box, but the weight is not heavy.The books themselves take very little time to get used too. Pretend you have an American style book. We read it front to back (as a whole book) and left to right (from page to page). The Ouran Host Club books read in the opposite. They read from back to front (as a whole book) and right to left (from page to page). It sounds confusing but the author is nice enough to explain on the

first page if you start to read it from the wrong end in every volume. The pages of the books are sturdy for multiple readings, but if it gets caught on anything it will tear easily (mine was a paperclip). The pages are also done in a black, white, and grey scale. There are no colored pictures except for the coverings for each volume. I know this was a lot, but I didn't want there to be any surprises because these are great books, but a bit pricey. They do have a one season anime that I like as well if you want more.
