Customer Reviews

Catholics who want to start their little ones on the journey of faith, this is not only a pleasant introduction to prayer, but is a 'keeper' that will serve the faithful for years to come! This book belongs on every Christian's reference shelf!

This little book contains all of the most important prayers you will want to teach your Catholic child. Some of the classics included are Sign of the Cross, Glory Be, Grace before and after meals, Our Father, Hail Mary, Apostle's Creed, Morning and Evening Prayers, Mysteries of the Rosary (luminous not included), Stations of the Cross and much more. The classic and beautiful illustrations that accompany the prayers are a true compliment to the message of hope, light and comfort these prayers convey. This little book is well worth the price and will be a special part of your child's Catholic library as they grow in their faith.

I have given this book to all of my 7 grandchildren at their Baptism. It is a beautifully illustrated book of Catholic prayers from the sign of the cross thru the Rosary, the Stations of the Cross as well as all the prayers important to us in between. A great reference for parents too while helping their children learn their faith.
