## Customer Reviews

Didn't know there was ever a black pope let alone a few black popes and I think it's one in line to be the next pope. As a start over again reader I lust for information on history and I love it. .com is amazing I mean no matter what u looking for they got it. This book was helpful and I will real it until it's stuck in my head.

Quite revealing. WOW!! What a compact informative work !! This should be included as required reading in all school systems.

Uncovered information all need to read.

Not as in depth as I was expecting.

You learn something everyday.

Too short, not enough sources
