I Am Jezebel: A Former Jehovah's Witness Breaks Her Silence

Synopsis

This is a true life story about a lost childhood- an abused childhood. I spent 20 years inside the Jehovah's Witness organization (1977-1997). I was brainwashed to believe that I would never graduate high school because Armageddon would arrive at any minute and we would live forever in paradise. I suffered from night terrors, sleep paralysis, severe anxiety and depression, eating disorders, and alcohol abuse. When I finally began asking questions and sticking up for myself as a human being, the elders rushed to my house, pulled out their bibles, and called me JEZEBEL. This is my story...

Customer Reviews

The contents of this book are real according to my own involvement years ago with this religion. I am now happy in a religion that shows a lot of love, children are precious to the parents and families and should someone stray, they are still loved with the hopes of their returning.

Education frees the mind. This short book provides evidence of what is experienced in the cult-like environment of Jehovah's Witnesses. What a terrible loss when children are not encouraged to

reach their potential. The style of the writing was not that engaging, but the information was.
