Trusting In Christ (Jesus Calling Bible Studies)

Synopsis

After many years of writing in her prayer journal, missionary Sarah Young decided to be more attentive to the Saviorâ™s voice and listen for what He was saying to her. The result wasÂ Jesus Calling,Â a collection of personal reflections based on Jesusâ™ own words of hope, guidance, and peace found in the Scriptures. Through these messages, countless people have been encouraged to experience a deeper relationship with the Lord as they also learn to listen for His voice in the pages of the Bible. InÂ Trusting in Christ,Â the second study in theÂ Jesus Calling Bible Study Series,Â you will examine what the Bible has to say about relying on God for all your needs. As you push back the demands of the day, give your cares to Him, and encounter Him personally through His Word, you will discover the truth of Paulâ™s words when he wrote, âœMy God will meet all of your needs according the riches of his glory in Christ Jesusâ • (Philippians 4:19). You will see that God loves you, cares for you, and provides the strength you need to get through any situation. Each of theÂ Jesus Calling Bible StudiesÂ include devotional readings fromÂ Jesus Calling,Â selected passages of Scripture for reflection, Bible Study questions, and additional questions and activities to help you apply and live out the material during the week. This study can be used for personal reflection and Bible study or in a small-group setting.

This is part of a I believe a 5_6 book series to continue through the year. I had gotten the others at Sam's club. This was the only one they were out of and I couldn't find it any were else around me. I

like this because you can use it either by yourself or in a bible study type group through out the year.

This is a simple, yet effective bible study on trusting Christ in every area of your life. There's a lot Of reflection time and some journaling everyday. This could be used alone or in A small group setting . the bible study is set up to spend more time the first day, the the following 6 days are much shorter in length .

I love this! Doing it with a small group of believers, some new believers and older Christians. It is simple to do (although not a short study), and the questions are great for discussion!

Excellent study. This study helped me dig in the word more and become deeper in God. This study also helped me strengthen my trust in God.

Yes they seem great and much along the line of Jesus Calling. Very practical and to the heart

I like this book because it shows me steps to connect to God and Christ through reference to the verses in the Bible.

A very easy bible study to understand and follow. And yes it give a deeper commitment to trust God.

Love Jesus Calling devotional, so this weekly devotional did not disappoint.
