## Customer Reviews

Wow! So simple yet profound. I took notes and plan on putting these two treasures into action immediately! My bible study group is going get whacked with this! Thank you Francis for bringing the obvious to our attention.

I like this book because he backed all of his findings with scripture. God is a man of order and as I read I felt the holy spirit and everything lined up with scripture. I thank you as a baby in Christ this book is a great read as well as a good reference for me in my prayer life..
