Customer Reviews

The timing couldn't have been better for this new Ling & Ting book! My twin girls just turned six, and they absolutely LOVED this present. They are huge fans of the other Ling & Ting book (Ling & Ting: Not Exactly the Same), but I think they liked this one even more. They loved all the stories, and they thought the ending was so funny. Yay for Ling & Ting!

I have a Ling & Ting book or two on my library shelves, but today is the first day I actually sat down and read one. I like Ling & Ting. Gentle. Kind. Surprising. Now I can heartily recommend Ling & Ting to children at my school.

My daughter does not like to read books because she finds it difficult, but as soon as she received

this book, she read the entire book. That is awesome!!! Hope there will be more of these books!!

Wonderful book about a set of twin girls!
