Customer Reviews

I like the book very much but it is my first time to read a summary on a subject that I am very much interested in understanding well. It is a handy summary for discussion. Therefore, it was my mistake to order just a summary. I am reading a full book as a loaner. oops Maxine

OK, but I meant to order the complete book, not the summary!

Don't need the full interview, here is the core of Pope Francis' thinking, all based on Jesus' teachings as expounded in the Bible, swell!
