Synopsis

What Does Christâ ™s Return Have To Do With Your Life Today? Do you consider yourself a â œpanmillenialistâ •? When it comes to the end times, do you believe everything will just pan out in the end? Itâ ™s easy to slip into apathy when it comes to Christâ ™s return, especially since many people in recent years have falsely predicted the end of the world. The danger of false predictions is that they discourage us from preparing for the actual eventâ ”an event that will happen and does matter right now. As popular Bible teacher Dr. Robert Jeffress shows in Perfect Ending, we may not know when Christ will return, but the Bible offers many details about what the end times look like. Understanding these biblical prophecies not only gives us greater peace about the future, it draws us to God in the present. Strengthen your biblical knowledge and your spiritual life through this powerful look at the future God promises for every follower of Christ.

Customer Reviews

It is with a high degree of satisfaction that I am able to present a very positive review for Robert Jeffress' latest book entitled: "Perfect Ending: Why Your Eternal Future Matters Today". Jeffress has been a long time favorite author of mine, and his latest book did not disappoint.In fact, dear readers, I believe this may be the best Christian Eschatological book I've had the pleasure of reading. What I enjoyed most was the time the author took to bring even Christian "newbies" a clear understanding of what the Bible has to say about end times. He shows us that the end times are first addressed by God in the Book of Genesis. And then we are shown throughout the Bible that God and His prophets spoke of and taught the end times throughout the entire Bible.Jeffress also

gives us an overview of many eschatological terms, such as: Pre-Tribulation, Mid-Tribulation, Post-Tribulation, Milinnialism, the rapture, the Abomination of Desolation, the White Throne Judgment, and many other important terms and topics related to the end of the church age.The book is incredibly informational, while not sounding like a technical journal article. Pastor Jeffress' writing, as well as the pastor himself, is very approachable and provides clear definition and understanding for the newest of Christians.I've read a lot of books on end times. And the topic has always been one of high interest to me. I read my first book on "Eschatology" back in high school, when Hal Lindsey published "The Late Great Planet Earth". Since that time, I've cultivated a short list of prophecy teachers and authors that would include Lindsey, Grant Jeffrey, John Hagee, Perry Stone, and Irvin Baxter. These writers offer a wide spectrum of end times perspectives.
