Down And Out Down Under (Geronimo Stilton, No. 29)

Synopsis

Enter the world of Geronimo Stilton, where another funny adventure is always right around the corner. Each book is a fast-paced adventure with lively art and a unique format kids 7-10 will love. G'day, mate! I was searching for ideas for my new book, and my friend Petunia Pretty Paws knew just where to find them -- in Australia. Holey cheese, it sounded like a fabumouse adventure! But between surfing with sharks, being chased by poisonous snakes, and getting lost in the outback, I was beginning to wonder if this trip down under was really a good idea. Kangaroos and koalas and crocs -- oh, my! Would I ever see New Mouse City again?

Customer Reviews

The following review is by Isabella (6 yrs). One of the younger members of dream factory "gday mate i was off on a fabumouse adventure to australia but between surfing with sharks.being chased by poisonous snakes and getting lost in the outback. i was beginning to wonder if this trip down under was really a good idea. kangaroos and koalas and crocs oh my would i ever see new mouse city again" The whole 'Stilton' series is very stimulating. Pressing our youngster to voraciously read & read. In this issue they teach: Uluru/Ayer's Rock, Aborigines, dreamtime, and about all thoses crazy down-under animals. Fun stuff!

It is a great book. It is exciting and super, super funny. (This is an 11-year-old's review!)

This is a really great Stilton. My 5 year old loves Geronimo Stilton and we have read many of them. This is a particularly good one, it has some nice cultural history. I would recommend it.
