SABOTAGED: The Missing, Book 3 by Margaret Peterson Haddix Simon & Schuster Books for Young Readers ISBN: 9781416954248 Ages 8-12 384

pages-----Thirteen-year-old Jonah Skidmore feels like an average kid, complete with an intelligent but slightly annoying younger sister named Katherine, a mom and dad who constantly reassure their children that they are special and well loved, and a quiet home in the suburbs of Ohio. The fact that Jonah is adopted has never been a big deal for him, maybe because his parents have always been so open and reassuring about it. To Jonah, life feels normal. But then he receives a letter with six simple words, "YOU ARE ONE OF

THE MISSING," and his life flips upside down and way out of control. After some investigating, Jonah and Katherine discover an amazing secret: Jonah is part of a group of kids who have been stolen out of time. J.B., a time officer, has rounded up the 36 children and is determined to set history straight by sending them back to "when" they belong. The siblings agree to help the others realign time, signing up for the most incredible adventures of their lives. Jonah and Katherine are about ready to set off for their second mission through time. But unlike the first one, when they jumped in unexpectedly and ended up in 1483 completely unprepared, this time they get a debriefing first. This mission involves Andrea, who is really Virginia Dare, the first European born in the New World. She, like the other kidnapped children, was stolen out of time, and home for her is the Lost Colony of Roanoke in the late 16th century.
