Matthew: Being Discipled By Jesus (Lifeguide Bible Studies)

Synopsis

What would it be like to be discipled by Jesus himself? What would he teach you about relationships, priorities, wealth and his coming kingdom? What would you learn from his actions? Matthew's Gospel brings you face to face with Jesus as he calls, teaches and prepares his disciples. As you work through these Bible studies on Matthew, you can become one of those chosen followers. This LifeGuide Bible Study features questions for starting group discussions and for meeting God in personal reflection. Leader's notes are included with information on study preparation, leading the study and small group components as well as helps for specific Bible passages covered in the study. Presented in a convenient workbook format and featuring the inductive Bible study approach, LifeGuides are thoroughly field-tested prior to publication; they're proven and popular guides for digging into Scripture on your own or with a small group.

Customer Reviews

I am totally thankful that this NEW book arrived EARLY and it is such a great tool for unlocking more of God's wisdom as you read the Gospel of Matthew!!! These Lifeguide Bible study books are designed to help us all to read the Bible for ourselves, and then by reading the author's questions, you will look back in the Scripture passage and hunt and find more insight into God's thoughts. For me, I miss a lot. I mean , Scripture is made so a child can understand a lot of it, however, maybe we speed through too fast. These little guide books help us to slow down and think about what we just

read. You will come to your own conclusions, and write these in the book , or in a journal book , as you choose. :) Thank God for helpers!!! :)

Our small group bible study fellowship chose this book because we wanted to follow our denomination's lectionary in which Matthew is being read for Sunday services. We are just beginning to use the booklet, but so far the questions have been excellent for generating vibrant group discussions.

I was very pleased with the material I received! The price, prompt delivery, and condition of the book where all pleasing! Thank You Very Much & God Bless You :)

Great book for our Church Life Group to base our studies on

We use this for our bible study and love the series
