Synopsis

The goal of this book is to produce excellence in your usher and greeter ministry if your ministry is already established. If you are just starting as a church, this book provides teaching and instruction for ushers and greeters, as well as providing insight and solutions to problems that are going to arise in the life of the church. It provides examples of how different churches handle different situations so that you can choose the method which will be most effective for you. This book is helpful for any usher and greeter to read so as to become more effective in the ministry God has for them. Ushers and greeters are very important in the life of the church. Customer Reviews

This book eloquently describes the calling that God has on Ushers and Greeters, I have been a Greeter for 30+ years and this has brought me back to where God wants me in this ministry, this is a must for all Greeters and Ushers who want to follow the calling God has placed on us. This book

should be a requirement for all Ushers and Greeters.

Love this book! I would love to have this in print. It would be a great tool for ministry as handbook supplement.
