Hotness: A Pocket Bible Study & Journal

Synopsis

Hayley DiMarco knows that teens are hungry for God's Word. They want to know what God has to say to them and how they can apply his truth to their lives. But there are just not many teen-centered Bible study materials out there that connect. Hungry Planet to the rescue! Combining unique packaging with honest, teen-focused content, the Hungry Planet Bible Studies are what teens, parents, and youth pastors have been waiting for. In each volume, Hayley leads teens in an inductive Bible study in order to get the most out of the Scriptures. The studies are topic-driven--with volumes on mean girls, dating, modesty, and purity--so they speak to teens at a felt-need level.

Customer Reviews

I loved this book, my Sunday school class and my Purity class has really enjoyed our discussions. I am hoping this book will help my girls discover they are beautiful in their own eyes, just like they are in God's eyes.

did this with a group of 7th and 8th graders. they LOVED IT...we started with mean girls, did this one and we're on to dating. only thing you should know is that a lot of the vocabulary in the scriptures is a little above their heads, so the ideal age for this series i would peg at 9th/10th grade? but i wouldn't let that stop you using it with 7th and 8th graders...you'll just have to do more explaining.

This book normalizes the rape culture that women are fighting against. It describes men as "visual

creatures" and a direct quote of "your cute little body can help lead them to sin". Stop teaching this to Young girls. Stop blaming victims. Stop giving excuses to the "visual creatures that just can't seem to help themselves" I am disgusted that a woman wrote this book aimed towards young girls. "Every girl needs to remember her role of how her bod makes me act and feel". Screw off.
