Through this delightful story kids will enjoy reading and learning about baseball. Filling in the blanks in this story will get kids engaged in a fun activity that like my grand kids will share with their friends. This easy to read story will hold the attention of kids for many hours, it's an educational experience, I give it five stars, and I'm Marvin P. Ferguson, author of Boys On The Gold Coast.

My 5 year old and 8 year old love mad libs. My son is in little league so he appreciated the funny baseball themed stories.

This went in my adult ball player son's Easter basket. All of my adult children had fun with this. Great price, free shipping, great as a last minute basket stuffer. Love !

I bought several different Mad Libs for my boys when they had some friends over. They had so much fun with them. The boys ranged in age from 8-14 and they all enjoyed them!

Such a fun way to learn and practice proper grammar! We had so much fun filling in the blanks and making up silly stories! Great fun for 5+!

Mad Libs are always great. Bought for a birthday baseball gift pack and it went over very well!

This was part of a baseball themed gift for a 9 year old. He loved it.
