One of my favorite books is "Battlefield of the Mind" and I had to get the study guide. I marveled at how I related to every page of "Battlefield of the Mind". Many answers to questions I have wondered about myself. Joyce Meyers is one strait arrow....

This book was an eye-opener to me, on things that I needed to change in my life. I enjoyed it so much, until the first day I read over 80 pages. I have shared with friends, and they have done the same. You just can't put it down once you start reading. It leaves you hungry and thirsting for more.

Thanks Joyce.

The Study Guide has been a tremendous help in processing what I read in the book by the same title.

I thought this workbook would be more of a journal where you answer questions on how the book applies to your own life, but all it is is copying word for word the passages in the book. Save the money and just highlight the passages that stand out to you.

This book is life changing. A must for everyone to read. When we go to war we study the opponants strategies, and tactics but do we study the way Satan works. The most important Battle of our life!!!
Read and learn

Study guide just asks you to rewrite what you read. It didn't seem to ask questions that really make you think or explore what you learned. Halfway through, I decided to just stick with the book and not use the study guide.

THIS HAS BEEN AN AWESOME TOOL WITH A BIBLE STUDY THAT I AM ATTENDING ON JOYCE MEYER'S BATTLEFIELD OF THE MIND. IT GOES INTO DEPTH ON EACH CHAPTER AND GIVES VERY THOUGHT PROVOKING QUESTIONS. I WOULD DEFINITELY RECOMMEND THIS TO ANYONE WANTING TO STUDY THIS BOOK DEEPER.

Want to release God's power in your life? Read this book! Very down-to-earth and Bible-based. Everyone would benefit from this book.
