Paris... Elegant Historic Sophisticated Stylish Memorable Cultural Artistic This book is a wonderful learning tool to acquaint your little one with the exciting and awesome world in which we live. I love the books and highly recommend them. Au revoir pour le moment! À bientôt!

We just love these sweet, little, pop up travel books from @lonelyplanet Available in New York, Paris & London and believe me, you'll want them all. Gorgeous color palette, educational, fun, and beautifully designed pop ups. Their small size is perfect for little hands. But the pop ups make a BIG impact. We fell especially in love with the Statue of Liberty... gorgeous!! I received this book for free in exchange for my honest opinions. I was in no way compensated for this review. My opinions are honest and my own.

What a cute book!! Happy with this purchase. The kids love it. It was smaller than expected.
