I'm Going To Read® Workbook: Rhyming Words (I'm Going To Read® Series)

Synopsis

Nothing delights kids more than a good rhyme. Rhyming words gives children a delightful introduction to letter sounds and pronunciation. It's fun to say aloud, has an appealing rhythm, and stays in the mind more easily than simple sentences. This work offers parents and children another way to enjoy interactive, educational playtime together.

Customer Reviews

My 4.5 year old loves these books. Just starting to understand what rhyming means, loves writing letters, although actually reading words is still tough, this is definitely aiding with the "family" words.

It could be better if its for KG kids, its not very difficult but still not for KG more like start of level one

It has help the children read.
