## **Customer Reviews**

From the Back Cover: Fabio, the son of a famous Brazilian soccer player, wants to join the Wild Soccer Bunch. But Fabio's father has other plans. He makes his son play for the Furies, one of the best youth club teams in the country. The Wild Soccer Bunch is devastated, but Diego has a different plan. He turns the Wild Soccer Bunch into a club team and challenges the Furies to a game! Can the wild Soccer Bunch survive the game? Can their friendship endure the test?What Stephanie Thought: I was always that second grader who would never be found without a book in hand, so today, I definitely advocate youth and middle-grade reading. The Wild Soccer Bunch is a children's series from Germany that's creating a sensation around the world, thanks to its universal message about friendship, determination, and teamwork. With endorsement from Landon Donovan, it's the type of series kids who love to read will enjoy, but more importantly, the type of series kids who don't love to read, will enjoy as well. Life isn't fair in Diego the Tornado when Fabio, son of a

world renown soccer celebrity, comes to town. The Wild Soccer Bunch desperately wants him on their welcoming team, but his father won't allow it. This is both troubling for the team itself, since Fabio on any other team would be a threat to theirs, and to each individual player, for the loss of Fabio as a friend. Tested by the stresses of betrayal and heavy losses, the Wild Soccer Bunch attempts to stand strong, and come out in the end, as cooperative as they once were. I enjoyed the message portrayed by Joachim Masannek for kids. Essentially, he tells a story, through the funny, relatable character of Diego, the team's left forward, of the importance of stepping up as a leader and of sportsmanship.

Does your child like to read? Even though my son was brought up surrounded by books from a young age, I still have to fight with him to read since he prefers playing video games to picking up a book. Typical Boy! So when I was asked to review an advance copy of Book #2 in Joachim Masannek's best selling children series The Wild Soccer Bunch, "Diego the Tornado", I jumped at the chance for my son to write a review for FREEISMYLIFE. The Wild Soccer Bunch was created by Joachim Masannek, a father who coached his sons' soccer team and was inspired to write a book about his experience. The stories are told from a child's point of view which helps the books to really appeal to children. "Diego the Tornado" tells the story of Fabio the son of a famous Brazilian soccer player, who wants to join the Wild Soccer Bunch. But Fabio's father wants his son to play for the Furies, one of the best youth club teams in the country. From the moment I gave my son the book to review, he was captivated by the story. He actually stopped playing video games and read (and reread) the book more than a few times - I was totally shocked! He even took the book with him to school to show it to his friends. And I heard him laughing out loud a few times at some of the humorous parts of the story. ===== So here is my son's take on The Wild Soccer Bunch, "Diego the Tornado" : The Wild Soccer Bunch, "Diego the Tornado" is about the players in the Soccer Wild Bunch. The players are going to face the Furies, an impossible team to beat. The Furies wouldn't be as good as they are if they didn't have Fabio as a player. Fabio is the son of a famous Brazilian soccer player named Giacomo Ribaldo.
