I have had this book in my closet for about a couple of weeks, picked it up and started reading, Oh my goodness why did I leave it in there for two weeks. This book is phenomenal and written from one of the strongest Christians that I have ever read. What a read, been through the first 6 chapters and I have been on fire for God ever since. I have been drawn closer to the Lord through the leading of the Holy Spirit since picking this book up. Thank You Father for this wonderful written book. I encourage all to pick up a copy and let the Lord speak to you.

THIS BOOK IS TRULLY AMAZING. IT LINES UP WITH THE WORD OF GOD AND MAKES YOU WONDER WHY DON'T THE CHURCHES KNOW THIS INFORMATION. LESTER SUMRALL MAKES IT CLEAR THAT THIS IS WHAT GOD INTENDED FOR HIS CHURCH, HIS BRIDE. OUR SPIRITUAL GIFTS ARE OUR WEAPONS AGAINST THE DEVIL. MOST PEOPLE KNOW WHAT THEIR GIFTS ARE BUT THEY'RE NOT BEING APPLIED IN THE CHURCH AND MINISTRY. I THANK GOD FOR THIS ANOINTED MAN AND HIS WISDOM AND KNOWLEDGE.

This book is a good primer on the Holy Spirit and the gifts. I don't believe that the author intended to be deep, but I believe that he wanted to pen a book that was assessible to most readers. There are those who would argue that the author assumes a Pentecostal stance, but he does have the right to write about the gifts based on his experience as long as he doesn't violate Scripture. He does not. He speaks about the gifts of the Spirit operating in his own life and also relates the gifts to what is reflected in the lives of biblical characters. Once again, this book is not meant to be a deep theological tome. They do exist. For those readers seeking greater depth and scholarship, I would suggest looking at *The Holy Spirit and Spiritual Gifts: In the New Testatment Chuch and Today* by Max Turner. Other authors to consider are Gorodn D. Fee, Richard Hays, and Craig Blomberg.

I haven't even finished the book and I love it! Dr. Sumrall does a great job defining the gifts, their purposes, and examples on how they're used! This book is a must for Holy Ghost Christians who are seeking spiritual gifts. You've got to buy it!

We are using the book at our church. This book does not go deep but I believe that the intention of this book is to provide a foundation of the 9 spiritual gifts that are in operation. The spiritual gifts are used in conjunction of the Holy Spirit to do what God wants to do in our lives. The book explains the functions and definitions of each gift.

Holy...next to the Bible this is one of the most powerful books I have EVER read. Revelation leaped off the page as I read it. This book is for a mature Christian when desires to grow and know! Forever grateful to the author for answering the call and penning this book - may God bless him!

This is a very good book to study the gifts of the Holy Spirit. Which are the same today as they were 2000 years ago. Lester Sumrall has a unique way of communicating that just makes sense. I highly recommend this book.

This book is a great foundation of the Gifts of the Spirit. I have used this book as a great reference for our Men's Bible Study Group. It very easy to understand since it based on the scriptures of God's Precious Word. Since all of us are members of the Body of Christ each of us have Spiritual Gifts but dont know how to operate in them because we don't have knowledge and understanding. This book is great for the individual who is seeking their Spirital Gifts and want to know how to use

them effectively to help heal others and to bring Glory to our Father God.
