Living As A Young Man Of God: An 8-Week Curriculum For Middle School Guys (Youth Specialties (Paperback))

Synopsis

Today's examples of a "cereal men" often portray bronzed, muscular men with their lives put together. It's hard for middle school guys to figure out what kind of man they're going to be, unless you help them learn from the only perfect man. *Living as a Young Man of God* is an eight-week study that will help guys focus on the life of Jesus and learn how to deal with life as he would. The activities are fun and interactive, and the age-appropriate discussion questions will have your small group of middle school guys engaged in a study that will help them break the code they've been taught to live by so they can become the men God intends for them to be. As they study the life of Jesus, they'll learn: • what to do with their feelings (and that it's okay to have feelings) • the truth about girls and sex • why it's important to have other guys in their lives • how to grow closer to their own dad. Guide your middle school guys into manhood with the ultimate example of what it means to be a man. Help break the code.

Customer Reviews

Great resource for young boys. I led a small group over the Summer and used two resources by this author. I found this guide easy to use and very beneficial. It's filled with great tips, ice breakers, activities and the like. You can pick and choose what you feel is effective for your small group.

Highly recommended!
