100 Bible Stories, 100 Bible Songs

Synopsis

100 Bible Stories will soon be hidden in your child's heart and bursting out in song. From Genesis and Revelation to Psalms, Proverbs, and Jesus' parables, children will read their favorite Bible story and sing their favorite Bible song. Bible truths and Life Action Applications will help your child take these Biblical teachings to heart. 100 kid-friendly Bible stories, with adorable illustrations, are paired with two awesome CDs filled with 100 new arrangements of more than two hours of favorite songs, hymns, and spirituals. It's a unique experience the whole family will enjoy!

Age Range: 3 - 7 years

Grade Level: Preschool - 3

Customer Reviews

The book is hard-cover but has a soft cover feel like a lot of kids books have. The book includes 2 cds that contain 100 songs and each song goes with a story in the book. The book is brightly colored and will catch the attention of any child. Each story (or Bible summary) is short and is good for short attention spans. Under the title of each story, is the title of the song that goes along with it so that you could listen to the song along with reading the story. It also gives the scripture reference that the story is from so that you can easily find it and read the whole story from the Bible. The book and songs are separated into Old and New Testament making it easy to pick which one you want to read/listen with your child. The stories in the book are very simplistic and good for toddler age. I do, however, think they are too simplistic and tend to not complete a story/illustration fully. An example of this is in the story of Saul. The story goes on to say that "Jesus is the Son of God. People who

believe this are called Christians." It says in James 2:19 - "You believe that there is one God. Good! Even the demons believe that and shudder." (NIV) Obviously, demons aren't Christians, so I think the simplistic nature of the book doesn't fully allow complete definitions/thoughts/ideas to be taught to a child. I think this is where the story's scripture references (and parental knowledge of the Bible) will come in handy in "Training up a child in the way that he should go." If you want your child to learn about the 10 commandments, don't look to this book. It tells briefly how the commandments came about but it doesn't list the commandments at all. Again, the scripture reference comes in handy. I didn't run across glaring inaccuracies in the book EXCEPT Moses.
