# A Shabbat Morning: Siddur (For Young People)

## Synopsis

Two new siddurim designed to be used for Tot Shabbat or family services. These new full-color board books include material for small children as well as adults. These are excellent resources. There is little reason to put a siddur in the hands of a toddler. But there are a lot of great reasons to put one in the hands of the parent who accompanies him or her. These siddurim are board books, perfect for parents to hand to a toddler and to point the way through the siddur. Wonderful illustrations add to the appeal. There are two of these siddurim. One for a Friday Evening Tot Shabbat; the other for a Saturday Morning Tot Shabbat. Each creates a short, creative, and traditional text that allows for a playful yet dignified worship experience. Not only are these books inviting but they expand the realm of the possible. Torah Aura Productions publishes books for Jewish schools and families that help celebrate our heritage and our faith. ## Customer Reviews

This siddur is very nice for kids. It contains the Hebrew and transliteration for basic Hebrew prayer, but I was disappointed that it did not include the English translation.

I'm a Hebrew school teacher and my young students really enjoy this book!
