Warlord Of Mars: Dejah Thoris Vol. 1: Colossus Of Mars

Synopsis

151 Pages! Collecting the first five issues of the hit series in one volume, with bonus material and a complete cover gallery from artists such as Art Adams, Joe Jusko, Paul Renaud, Sean Chen, and Ale Garza. Martians live forever - everyone knows that. So what was Dejah Thoris doing all those hundreds of years before John Carter arrived? Four hundred years before the events of Warlord of Mars took place, Dejah's nation of Helium was divided into two warring city-states. An unscrupulous overlord from afar encouraged that rivalry to his own advantage, until he discovers a terrible secret from Mars's ancient past beneath Dejah Thoris' capital. A secret to kill for!

Customer Reviews

shadowhawk reviews the first two volumes of Warlord of Mars: Dejah Thoris, Colossus of Mars (collecting issues #1-5) and Pirate Queen of Mars (collecting issues #6-10), published by Dynamite Entertainment. "Colossus of Mars and Pirate Queen of Mars are exhilarating, rollicking rides through Barsoom that are more than worth reading. They are great sword & planet adventures!" ~The Founding FieldsMy only previous exposure to the characters and world created by Edgar Rice Burroughs is the recent movie, John Carter, which I highly enjoyed and even reviewed a few weeks

back for the 24FPS movie review blog. The entire setting of Barsoom, as Burroughs calls Mars, is really intriguing, whether its the people, the culture, the technology, the mythology, the creatures, the world itself or what have you. I came across Warlord of Mars: Dejah Thoris Volume 1 on NetGalley which is a great resource for reviewers (you have to at least check it out!). Reading and finishing it in one sitting, I just had to get the second volume too, because the comics are just that good. The Dejah Thoris comics are set centuries before John Carter ever arrived on Barsoom and they feature the scantily-clad Princess as the main protagonist as she fights, schemes and fights for the future of Lesser Helium (Helium at this point in time is divided into two warring states). I have to say that the whole notion is quite an interesting one, it sets up a lot of intriguing possibilities with regard to the storylines. And since the people of Barsoom are long-lived, effectively immortal, that just adds more possibilities to the mix.
