Three Young Pilgrims

Synopsis

In these richly detailed pages, you'll meet three of the young Pilgrims who sailed on the Mayflower, Bartholomew, Remember, and Mary Allerton. When Bartholemew, Remember, and Mary Allerton and their parents first step down from the Mayflower after sixty days at sea, they never dream that life in the New World will be so hard. Many in their Plymouth colony won't make it through the winter, and the colony's first harvest is possible only with the help of two friends, Samoset and Squanto. Richly detailed paintings show how the pilgrims lived after landing at Plymouth, through the dark winter and into the busy days of spring, summer, and fall. Culminating with the excitement of the original Thanksgiving feast, *Three Young Pilgrims* makes history come alive.

Every family with young children ought to have a copy of Cheryl Harness' *Three Young Pilgrims*. The first thing you'll probably notice when you open up this book is the detailed illustrations. For example, the first two page spread looks like an old world map, complete with the human-like faces of the four winds, mermaids, sea monsters - and, naturally, the Mayflower moving toward the New World. On another page, there's a cross cut of the Mayflower, showing all the rooms below deck and how people moved about in them. And throughout, Harness does a superb job of relating

details about Pilgrim and Indian life through complex illustrations your kids will study over and over again. The text is strong, too. It tells the novelized story of three real-life Pilgrim children: Mary, Remember, and Bartholomew Allerton. We see them on the Mayflower and witness the general excitement when the sailors call "Land ho!" We learn about the special agreement the Pilgrims wrote out (the Mayflower Compact, although the book does not tell us this is the document's name): "They were there to build a colony 'for the glory of God' and in 'honor of our King and country.' Together they would be a 'civil body politic' making and obeying laws for the common good." We learn the Pilgrims lived aboard the Mayflower while they built their homes, and that many on board the ship were ill and died - including Mrs. Allerton and her new baby. In the spring, when they finally move into their new homes, Mary witnesses her first Indian: a man named Samoset, who speaks broken English. He soon brings his friend Squanto, who speaks perfect English and helps the Pilgrims plant New World crops.
